Sergeant Carl Manley and Chief Masse came before the Committee to discuss shift changes and scheduling at the Metropolis Police Department. They went over the proposed vs the current scheduling needing to contact the union to clarify some of the changes but the consensus was to proceed. The new shifts will be on a 12-hour schedule eliminating most of the overtime. This request is a labor request stated Chief Masse and will support for the change.

Moved by Alderman Chuck Short and Second by Alderman Charles Barfield to recommend to the full Council to take action to proceed to change from 8 hours to 12 hours shifts at the

Police Department;
